Quotes:

We supply the weakness, Jesus gives the strength. We supply the emptiness, He gives the grace.

~Steven Lawson

The world is changing. The gospel isn't.

~Burk Parsons

It is only when we want to take our lives out of the Father's hands and have them under our own control that we find ourselves gripped with anxiety. The secret of freedom from anxiety is freedom from ourselves and abandonment of our own plans. But that spirit emerges in our lives only when our minds are filled with the knowledge that our Father can be trusted implicitly to supply everything we need.

~Sinclair Ferguson
