

The diagram shows two rectangular structures. The left rectangle has a width of 13.96' and a height of 23.96'. The right rectangle has a width of 13.46' and a height of 13.17'. There is a horizontal gap between them labeled 0.86'. Below the rectangles, a sloped boundary is shown as a triangle with a vertical side of 12, a horizontal base of 6, and an angle of 71.29°. Horizontal distances from the bottom-left corner of the left rectangle to the sloped boundary are 13.00' and 9.25'. A small offset of 0.50' is also indicated.
