#OCCUPY GAINESVILLE

in the spirit of solidarity with the OCCUPY WALL STREET protest

The perpetrators of the massive financial fraud have been allowed to slip quietly from the scene and continue business as usual. Our elected representatives in Washington have become so tightly intertwined with the financiers and bankers that public accountability has all but vanished. #OCCUPYWALLSTREET is all about breaking up that cozy relationship between money and politics and achieving true democracy. Occupy Wall Street is a leaderless resistance movement with people of many colors, genders and political persuasions. The one thing we all have in common is that WE ARE THE 99% that will no longer tolerate the greed and corruption of the 1%.

THIS IS A **NON-VIOLENT** DEMONSTRATION
