## EYES, SCAR & EYEBROWS

On the head, place a pearl headed pin on any one of the stitches between Round 15 and 16. Place another pin 8 stitches to its right. This is where we will sew the eyes. But before we do that, we will embroider a scar.

With a red sewing thread, embroider a diagonal scar that starts a little below the temple and runs all the way down below the eye. With black thread, sew stitch marks along the length of the scar (*Pic 15*). Next, sew eyes in the areas marked with the pearl headed pins.

With copper red thread, embroider eyebrows as show in *Pic 15*.

## WIG

*To make the doll's hair, we will work a 5 inch loop stitch in each stitch every alternate row.*

*From here on, we will work in rows.*

**Row 1:** sc in the next 24 st, ch 1, turn. (24)

**Row 2:** Making a 5 inch loop st in each stitch, sc 24, ch 1, turn. (24)

**Row 4:** Making a 5 inch loop st in each stitch, sc 24, ch 1, turn. (24)

**Row 5-6:** sc 24, ch 1, turn. (24)

**Row 6:** sc 24. (24)

Fasten off, leaving a long tail. Position wig on head using pearl headed pins (*Pic 16-17*) and sew in place. Cut open the end of the loops and trim hair.

## JOIN HEAD TO BODY

To join the head and make it movable, thread copper red yarn and insert the needle from the center of the magic ring on the wig and out from the neck opening. Count down 6 rounds from the top of the neck. Now insert your needle through the neck at this point, back through the neck opening on the head, bringing it out from the magic ring again (*Pic 18*). Slide the head down the two strands of yarn until it sits perfectly on the neck. Knot the yarn ends together a few times to secure. Clip off excess yarn and push remaining yarn back into the head.

*And you're done!*
